"Dr. Miles' Anti-Pain Pills are the best pain remedy on earth. Mother and I have used them for the past several years."

MISS ORLEANA SCHENKE, Enid, Okla.

Pain is simply nerve disturbance. Derangements in any part of the body irritate the nerves centered there.

Dr. Miles' Anti-Pain Pills stop pain and misery because they allay this irritation. Women find great relief from periodical suffering by taking Dr. Miles' Anti-Pain Pills on first indication of pain or distress.

The first package will benefit; if not, your druggist will return your money.

We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor.

Always keep a box of Ayer's Pills in the house. Just one pill at bedtime, now and then, will ward off many an attack of biliousness, indigestion, sick headache. How many years has your doctor known these pills? Ask him all about them.

## LUNENBURG.

H. R. Cowles and Miss Susan M. Hale United in Marriage.

The pleasant home of Mr. and Mrs. M. D. Bowker was the scene of a delightful wedding last Saturday morning, Nov. 20, when their niece, Miss Susan May Hale, was united in marriage to Harley R. Cowles. Miss Hale is the only daughter of Franklin D. Hale, formerly of Lunenburg, but now United States consul at Trinidad, B. W. I. Mr. Cowles is a son of Albert Cowles of Craftsbury, and is principal of the high school here.

At 10 a. m. the Mendelssohn wedding march was played by Miss Bernice Lyman of Coaticook, an intimate friend of the bride. The bridal procession entered the parlor under a string of wedding bells, their pastor, Rev. Henry C. Howard leading, followed by the groom with his brother, Lee Cowles, as best man. Then came the bride with Miss Isabelle Silsby as maid of honor.

The bride was tastefully dressed in a travelling dress of blue with hat to match. Her maid wore dark red. The single ring service was used. After the ceremony a dainty breakfast was served. The decorations in the parlor were of evergreen and many white carnations, the bay window where the bridal party stood being especially beautiful. The dining room was decorated with evergreen and yellow cypripediums. There were many choice and beautiful gifts showing the esteem in which these two young people were held. The only regret was the absence of the immediate family of the bride in far away Trinidad. Miss Hale is one of the village's most popular young ladies. Her sweet soprano voice has often given great pleasure to her friends in the church choir and on many other occasions. Mr. Cowles during his stay here as principal of the high school has made hosts of friends. All join in wishing for them many happy years of wedded life. They left on the afternoon train for a brief wedding trip after which they will live here for the present. Guests from out of town were Mrs. A. R.
